

## Handout #3

### Using MAGICSCHOOL AI

#### A. Differentiating Texts

1. Go to [magicschool.ai](https://magicschool.ai) and click **Sign up free** in the top menu.
2. Sign up with Google or create an account by entering your email and password.
3. Log in and click on **Magicschool Tools** in the left menu.
4. Type **text leveler** in the search box on the upper right corner of the main page to search for it, or scroll through the tools until you find the Text Leveler tool.
5. Once you find it, click on it to open it.
6. Paste or type your text in the **Original Text** box and specify your needs by clearly stating the wanted changes, then click **Generate**.

Clear Inputs   ★ Exemplar

### Text Leveler

Take any text and adapt it for any grade level to fit a student's reading level / skills.

Grade level:  
5th grade

Original Text

🎤 Paste the original text here.

📄

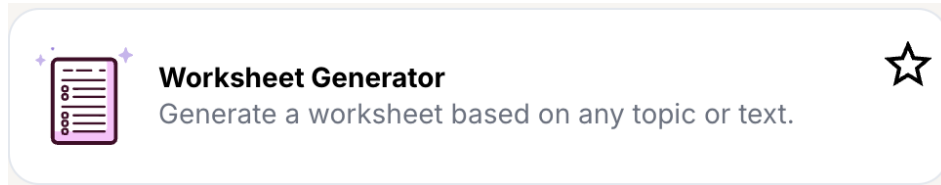

**Generate**

a.

7. Review the texts. To make changes, click on the **Actions** icon at the bottom to customize your request (tone, length, style, etc)

## B. Generating Worksheets

1. Go to [magicschool.ai](https://magicschool.ai)
2. Type **worksheet generator** in the search box and click it on the link, or scroll through the tools until you find it.

3. Choose your **grade level** and type your **topic** (or attach a PDF) in the box. Click generate to create a worksheet.
4. You can edit and/or copy the generated worksheet by clicking the links below the result.
